<b>Liqueur Coffee</b> Small espresso, topped up with hot water accompanied by a shot of liqueur of your choice. Finished off with a layer of double cream	5.50

## TEA

This isn't any old tea. These are pure, handcrafted loose leaves sourced directly from small tea gardens by the Rare Tea Company. Tea of this quality can be re-infused many times, revealing hidden flavours and complexities. Our small teapots produce an individual, perfect cup of tea each time they are refilled. Please ask for a re-infusion when you would like more.	
<b>Royal Air Force Breakfast Blend</b> A traditionally British tea crafted for a unique depth of flavour that combines the power of a breakfast tea with satisfying complexity. A bespoke blend created for an RAF Battle of Britain veteran that supports RAF charities.	3.00
<b>Rare Earl Grey</b> This earl grey is made exclusively by Rare Tea from handcrafted orthodox tea and natural bergamot. This is tea as it used to be - not a modern approximation of a classic. A clean and exceptionally bright infusion with great depth of flavour.	3.00
<b>Whole Leaf Green Tea</b> Gentle, clean and refreshing handcrafted tea. Tender young leaves are fired in a wok over charcoal in the same way that it has been produced for 3000 years.	3.50
<b>Jasmine Silver Tip</b> A delicate white tea crafted entirely from spring buds. The tea is not flavoured but carefully scented over six consecutive nights with fresh jasmine flowers. Wonderfully heady yet delicate and low in caffeine.	3.50
<b>Wild Rooibos</b> This Rooibos is grown completely wild in the Cedarburg Mountains and harvested by hands on horseback. A real red-bush, it enjoys strong, bright, berry-like flavours.	3.50
<b>English Peppermint</b> A rare English peppermint grown in Cornwall on the Tregothnan estate, this is one of the very last English mints in production. It has a strong peppery nose with a smooth balanced flavour.	3.50
<b>English Chamomile</b> These whole chamomile flowers are grown on an ancient Cornish botanical garden where they are tenderly picked with long stems to preserve the delicate flowers. The flavour is exceptionally sweet and soft and the aroma is of summer meadows.	3.70
<b>English Manuka</b> A deeply aromatic and fragrant herbal infusion from the botanical gardens of the ancient Tregeithnan estate founded in 1335. A unique flavour that is rich in antioxidants and utterly delicious.	4.50
